## Corps partners with organizations to assist physically disabled hunters

The Warsaw Sunrise Optimist Club, Masonic Lodge and U.S. Army Corps of Engineers are hosting the 13<sup>th</sup> Annual Managed Deer Hunt for hunters with physical disabilities November 8 and 9 in Shawnee Bend and Berry Bend Parks at Harry S. Truman Lake. Participation in the hunt is limited to persons with permanent ambulatory disabilities confined to wheelchairs, walkers, canes, and /or crutches.

Physically disabled hunters can apply to participate in the Managed Deer Hunt by picking up an application at the Harry S. Truman Project Office between 7:30 a.m. to 4 p.m. Mondays through Fridays. Applications must be returned or mailed to the Harry S. Truman Project Office by September 30, 2003. Twenty individuals will be selected for the managed deer hunt using a random drawing for those that meet the selection criteria.

“afddafdaf,” said Larry Smith, an Army Corps of Engineers park ranger. “adfadsfasdf.”

Volunteers are also welcome to assist in various capacities with the Truman Managed Deer Hunt. Please contact Dick Lewis at 660-438-5756 for additional volunteer information.

For additional information concerning the Truman Managed Deer Hunt, contact Smith at 660-438-7317, ext. 1212.
